To receive a fee waiver fill in all information and complete the checkout process. You will not need to enter credit card information. There will be a small box to check beside the words fee waiver. After you complete this process contact the BRHS athletic director, Pam Robinson, at coachrob@acsk12.net to let her know that you should get a fee waiver. Once the waiver has been submitted, processing time is two to three business days. The student-athlete may log into his or her account to verify the fee waiver has been approved. The word "completed" will appear next to the register/pay task on the student's status screen.
